Truckee Wins In First Local Game: Hawthorne Next

Wolverines Down Vikings 62 to 35 To Open Season Here

The Tahoe-Truckee Wolverines opened their home basketball season last Friday night on a highly successful note as they defeated the visiting South Tahoe varsity, 62 to 35. It was the second win for the Wolverines over their cross-lake rivals, and left the Red and White team with two wins and two losses in their pre-season play.

The red-hot Wolverines made a runaway of the non-conference tilt as they gained a 14-point lead in the opening minutes of play before the Vikings could get on the scoreboard. They went on to hold quarter leads of 18-8, 29-15 and 48-25.

Ken Vaughan, junior forward, led Tahoe-Truckee's attack as he gathered in 17 points for the evening. Vaughan is the leading scorer for Coach Jim Brehler's varsity, having averaged 17.2 points per game to date. The backboard work of Dave Rickert and Berger Nelson was outstanding Friday night, as well as the defensive play of all ten men used in the game. Scoring was well distributed as Doug Wilson connected for 12, Rickert for 10 and every other player except one hitting the scoring column.

The Wolverines tight zone defense in the first half and pressing man-to-man in the second were equally effective as they held South Tahoe's high scoring Vic Nagy and Norm Taylor to one field goal apiece for the game.

In the preliminary contest, Coach Stan Drakulich's Junior Varsity gained their first victory of the season as they dropped a Senior Boys team, 32 to 29. The Cubs were led by sharp-shooting Gary Holbrook and Craig Robinson.

Next action for the squads will be on January 4th, when the Varsity entertains the Hawthorne Serpents in a non-conference game at the local high school gymnasium with game time set for 8 p.m. The preliminary tilt at 6:45 p.m. will feature an intrasquad game for the Junior Varsity Cubs. Then on Saturday, January 5, both teams will travel to Yerington for a doubleheader with the "A" Division Lions.

BOY SCOUTS HOLD PARTY AT HOME

Fifteen Boy Scouts of Troop 7 enjoyed a Christmas party on December 19 in the home of Mr. and Mrs. Nelson Stone.

A tree, with gifts, games, TV viewing and refreshments rounded out the memorial affair.

CHIMNEY FIRE AT PAUL RAUSCH HOME

The Truckee Volunteer Fire Department was called December 19 to the Paul Rausch house at Polaris when the chimney caught fire, damaging the roof.

The prompt response and work of the volunteers saved the place from extensive damage.

97 ADULTS GIVEN FREE POLIO SHOTS

KINGS BEACH — At Kings Beach, Crystal Bay, Lake Tahoe, this week, 97 adult residents were given shots of Salk vaccine to innoculate them against polio. They were all the population of the village with the exception of six who will get their innoculation later.

The work was done by Dr. Allen Sklar, and cost the recipients nothing. The vaccine was paid for by the Crystal Bay Post of the Veterans of Foreign Wars from funds raised by a Halloween benefit party.

SKATING GOOD ON POND NEAR RIVER

The clear, cold weather may not be doing any good for skiing, but it has resulted in a boom for the skaters. The pond just south of the Truckee river, which was reconditioned last year through the efforts of the chamber of commerce and the Truckee Public Utility District is reported in good condition and each night scores of skaters take advantage of the smooth rink.

Volunteers spray the rink each night to keep it smooth.

Arguments Offered For Emerald Bay Span During Meet

A request was made last week to the state park commission to give its approval for the construction of a year-round highway round the south end of Lake Tahoe and for a bridge over Emerald Bay.

The present road is closed for a good part of the year.

However, it was cited that approval must first come from the highway commission for such constructions.

Senator Swift Berry told the commission:

"Highway 89 is destined to become important. At present, it is a narrow winding road and very dangerous one."

He said a bridge was "extermely important" in order to have a good connection between both ends of the lake.

"It can be a small structure, unmassive, with open vistas for scenic travel, which will allow people to view and attain spots accessible only by boat."

Members of the Lake Tahoe Chamber of Commerce, Don Huff and George Kehlet said tourists receive poor impressions of the lake because of the poor road and they cited the need for a better round around the bay.

Senator Harold Johnson and Fred Schultz, president of the Lake Tahoe Sierra Chamber of Commerce, appeared before the meeting to urge that action be taken to correct a sorry situation which is holding back progress. He stressed the fact that the dangerous road is keeping travelers from visiting the area and asked that the low level bridge be considered.

Assemblyman Francis Lindsay backed the chamber of commerce's speakers.

Drury Objects

But, opposition was voiced by Aubrey Drury, executive secretary of the "Save the Redwoods League."

This highway would be a great detriment to the state park area. It should be routed around the bay.

Additional opposition was voiced by David Brower, executive secretary of the Sierra Club.

"We are opposed to a low level bridge, unless it is proven that there is no other alternative."

He said that he was not sure whether the narrow winding road is not safer, because people do not travel as fast.

"There are no more Emerald Bays or Bliss Parks at any cost," he said.

FORMER TRUCKEE RESIDENT EXPIRES

Mr. and Mrs. William Englehart received a letter from Mrs. Ruth Franzini in Watsonville, telling of the death of Mrs. Sadie Dolan, who with her late husband, Jess, lived in Truckee for many yaers until 1910. The latter was the foreman in the Southern Pacific Company repair shop here and later transferred to Pajaro Junction.

Mr. Dolan was born at Sacramento 85 years ago, was a member of the Eastern Star Lodge here and transferred to Watsonville, living in the latter town for 41 years.

She leaves a daughter, Mrs. Norma Thimann, Watsonville; a son, William, Oakland; a granddaughter, Mrs. Jeannette Willoughby, Watsonvilile; two grandsons, Arthur Thimann, Jr., Los Gatos, and Ward Dolan of Oakland, and a great grandchild.

Private funeral services were held in Oakland and burial was in Pajaro Valley mausolem.

In Reno—

Mrs. E. C. Bavier was dinner guest of Mr. and Mrs. John Gracik in Reno on Christmas day.

Elf Elected—

Roy Elf, Dixon bank official and formerly of Truckee was elected last week to his second term as president of Dixon Chamber of Commerce.

Highway Mishaps At Minimum In Truckee District

Tank Truck Floods Road At Flycasters With Gas In Freak Mishap

Highway 40 from Sacramento to the Nevada state line, which ordinarily, because of its poor condition and heavy traffic, contributes its share to motor vehicle accidents, was one of the most peaceful stretches of highway in the country during the long Christmas holiday.

Sgt. Frank Snyder, head of the local squad of the California Highway Patrol, reported only one injury accident between noon Friday and noon Wednesday. Only two minor injury mishaps were reported in the lower portion of the Placer area, he said.

The accident here occurred Sunday at 2:45 a.m. when a car driven by Guy Brasher, 23, Gold Run, got out of control near Donner Ski Ranch and was wrecked. Brasher and Wayne Bailey, 23, Newark, were taken to the Tahoe Forest Hospital for treatment and released.

Tuesday night at 10:55 a PIE tank truck and trailer, driven by Francis Markel of Reno, broke a right front axel and the truck was loaded with gasoline overturned on the highway. The driver escaped injury.

A truck from the Truckee Volunteer Fire Department went to the scene to wash the gasoline off the highway and since the water froze on the pavement immediately, division of highway crews were called to sand the area to prevent accidents. Patrolman William Gautsche made the investigation.

Sergeant Snyder expressed the appreciation of the squad for the care exercised by most drivers and credited them with preventing accidents. He said 66 moving violation citations were made as all members of the patrol kept on the job throughout the period.

One driver, Lyle Laverne Peterson, Reno, was arrested for drunk driving and was taken before Judge F. W. Wilson.

Frequent traffic checks were made by members of the squad but the most part all drivers were found to be conforming.

Traffic Count Up Over Former Year

Truckee dropped into fourth place as a port of entry into California last month, but was 2521 cars ahead of November, 1955, according to the report made by the state department of agriculture.

During last month, 26,356 cars, 3550 trucks and 621 buses were checked at the Truckee quarantine station, compared to 23,835 cars, 3267 truck and 577 buses during the same month last year.

The normal drop as compared to October was approximately 12,000 cars.

Winterhaven, Yermo and Blythe were the only stations exceeding the Truckee count.

On Highway 50, the Meyers station reported 7762 cars, 423 trucks and no buses during last month. This marked a gain over November, 1955 of 1653 cars and a drop of 6000 cars as compared to October.

THOMAS DAUGHTER ARRIVES CHRISTMAS

It was a Merry Christmas for Mr. and Mrs. Aaron Thomas of Truckee when their first child, Kim Marlene, arrived at the Tahoe Forest Hospital at 4:26 a.m., December 25. The little girl weighed seven pounds, 11 ounces, and Dr. L. D. Nelson was in attendance.

The new arrival is the granddaughter of Mrs. Estelle Thomas, member of a pioneer Truckee family and Mrs. Ernest Rice.

SUNBEAMS

By WALTER M. BARRETT

Fish and game officials are apparently not trying very hard to win the respect and confidence of the general public. Recent actions rather show a trend to disregard the wishes of the public to satisfy the whims of minority groups. Last year they ordered seven miles of the Truckee river closed to fishermen using bait. There is every indication that they will not change the ruling this coming year, despite the appeals and demands of local sportsmen, civic organizations and service clubs. Then came the almost unrestricted slaughter of does and fawns, a move popular with some but apparently highly undesirable among the majority of citizens throughout the state. Next they closed down the hatchery at Tahoe City, long a valuable asset to the community. More recently, they opened a season for beaver trapping. The beavers were planted at the request of the sportsmen to provide better fishing conditions on streams in the area. This was accomplished, and so far as we can learn the beaver did no harm anywhere in the region. Now the department has opened the trapping season which promises to virtually exterminate the industrious little colonies. There may have been sound reasoning behind these various directives, but sportsmen are beginning to wonder just what the department has in store for its next move. They rather hope it will be something beneficial for the sportsmen and the public as a whole.

* * *

The Sierra Sun staff and correspondents join in wishing a most Happy and Prosperous New Year for you and yours.

FLORISTON FIRE AT CHRISTMAS AFFAIR

FLORISTON — An incipient blaze Friday at the Floriston Community Hall, caused by a short circuit, almost stopped the town's fourth annual Christmas party before the festivities were well underway. Alert townsmen were able to control the situation.

Despite a slight smoke nuisance, the party proceeded with a play and program planned and directed by Lydia Craig. Steve Ayala acted as prop man, and all the walking-age children in town participated in one way or another. Santa paid his visit with gifts for all, and refreshments were served.

The entire town votes thanks to Mrs. Lillian Miller and Holly Thom particularly, besides other ladies of the community, for the hours of effort which resulted in so enjoyable an evening.

SKI MISHAP VICTIMS TREATED LOCALLY

Two ski accident victims were treated at the Tahoe Forest Hospital Christmas eve.

Robert Beatie, a ski patrolman at Sugar Bowl fell from a platform a distance of ten feet and suffered severe lacerations of his left leg. Thomas Heckle, Soda Springs, broke his left leg in a skiing mishap Chirtmas eve and after treatment returned home.

NON-SUPPORT CHARGE

NEVADA CITY—Lane L. Farrar, age 30, of Truckee, was taken into custody in that community yesterday and brought to the Nevada County jail on a warrant out of Grass Valley Juvenile District Court for non-support. He is scheduled to appear before Judge Victor Montre for hearing.

PATRONIZE LOCAL STORES

Detail of Facilities For 1960 Olympic Told By Officials

Government Land Lease Is Required To Provide Permanent Park

The California Olympic Commission has filed a 30-year lease application with the U. S. Forest Service for between 60 and 70 acres of Squaw Valley government lands, with a design for establishing premanent winter recreational facilities on publicly owned lands.

In making the announcement, H. D. Thoreau, executive secretary of the commission, said the state legislature, meeting on January 7, will be asked for an additional appropriation of over $2,000,000 to provide these permanent facilities. The amount would augment $5,000,000 already appropriated to provide for the games here in 1960.

Thoreau pointed out five principal things to be done in making the area a permanent state recreation center.

These include a permanent ice area with seating capacity for 2500; two ski jumps on Papoose Hill; a permanent first class bob sled run, the only one in the country except the one at Lake Placid, New York; a quarter-mile speed skating rink, and the proposed Olympic Village which would be made over into a post games lodge and hotel with 300-room capacity.

The new center, if the financing is approved by the legislature, Thoreau declared, will provide California state park unexcelled on this side of the Atlantic so far as natural winter recreational opportunities are concerned.

Forest service officials, Thoreau said, appear to look very favorably upon the idea and will be happy to go along with the planning on a permanent basis.

Gov. Goodwin J. Knight has said he would recommend the additional funds and most legislators, including State Senator H. T. Johnson, who spearheaded the drive for the original funds from the state, have voiced their approval of the required amount. Officials of the National Olympic Committee have demanded that they can give support to California's bid for the games only if the facilities are made permanent.

Alan Bartholemy, executive director of the Organizing Committee for the Winter Olympic Games at Squaw Valley in 1960 visited the area last week, inspecting sites and conferring with land-owners. He announced that plans are far advanced and that construction work will be started early next year, under present schedules. He was accompanied by Mrs. Bartholemy and their two children.

WATCH SERVICE AT LAKE TAHOE CHURCH

KINGS BEACH—Next Sunday at the Wee Kirk o' the Pines, Community Methodist Church at Kings Beach emergency offerings for overseas relief of the Hungarian refugees will be received, with the request that the envelopes given the congregation as they enter, be used for that purpose.

Rev. Earl Langguth has chosen as his topic for Sunday, "Resolution or Revolution?"

On December 31 at 11 p.m. a watchnight of worship will be held, closing with the Lord's Supper, to begin the New Year. Everyone is invited to take part in the service.

SUMMER RESIDENT AT LAKE IS SUICIDE

KINGS BEACH—Last rites were held in Reno Saturday for Mrs. Elsie Scherupp, 31, a resident of Reno who during the summer months operated the Tahoe Botique, a small shop at Kings Beach.

Reno investigators said Mrs. Scherupp died at her home after taking an overdose of sleeping tablets.

Car Registration To Start January 2nd; Local Office Open

Six million vehicle registration statements are in the mail today for delivery to California motorists.

They are ready for submission by registered car owners at over 400 service points in the state, including 120 department of motor vehicles permanent offices, 125 temporary stations in metropolitan area banks, places served by traveling registration crews, and auto club and association offices authorized to serve their members.

The Truckee office of the department of motor vehicles will be opened to process local applications for renewals from January 7 through 12 and on February 4th, George Fielder, representative of the department here, announced. The office will be open from 8 to 12 and from 1 to 5 daily except on January 12 when it will close at noon.

Official opening of the application period is January 2, and fees may be paid without penalty through Monday, February 4. Renewal insignia for 1957 features a reflectorized red sticker to be attached to the rear license plate.

Paul Mason, director of motor vehicles, asks all owners to read the cards carefully to check accuracy of name and address, and description of the vehicle. He urges each applicant to help speed the department's service by typing or printing his name and address on the blank lines of the right hand stub of the familiar statement card.

He warns that the stub must not be detached from the main body of the card.

Stice Home Wins Decoration Award

It was the unanimous opinion of the judges as well as others, that the outdoor Christmas decorations at the home of Mr. and Mrs. Earl Stice in Gateway Park was winner of first prize in the contest sponsored by the Truckee Chamber of Commerce and Truckee Public Utility District.

Second prize went to Mr. and Mrs. Chet Burns, while honorable mention was given Mr. and Mrs. Roy Waters and Mr. and Mrs. William Waters.

While registration for the commercial decorations were not sufficient to warrant the issuance of prizes, the judges selected the Tahoe Forest Hospital as the unofficial winner.

CHRISTMAS BABY FOR GEO. ZORICHES

Mr. and Mrs. George Zorich of Soda Springs received a most welcome gift on Christmas when their son, Thomas Joseph, was born at Reno, the only child to arrive at St. Mary's Hospital on the holiday.

The couple had guests for Christmas when it became necessary to leave for Nevada to await the arrival of the seven pound, four ounce boy who was named for his grandfathers, Thomas Burke and the late Joseph Zorich.

JUNIOR SKIERS TO MEET AT SUMMIT

SUGAR BOWL—The Junior divisions of the Berkeley Ski Club and the Piedmont Ski Club are staging their first annual inter-club slalom races at Sugar Bowl Friday, December 28.

In spite of the skimpy snow, skiing has been good and all lifts are operating. Mt. Lincoln has been providing the best skiing.

The Sugar Bowl Club team tryouts will be held Sunday, December 30 and Sunday, January 6. The annual "hangover" race will be staged January 1.

Sportsmen Start Drive To Reopen River For Fishing

Recommendation Must Be In Los Angeles By January 4th

Frantic, last minute efforts are being made by members of the Truckee Outdoor Sportsmen and other civic organizations and individuals to see that sufficient recommendations reach the state fish and game commission by January 4 to prevent a continuation of the restrictions which last year prevented bait fishing on seven miles of the Truckee river.

Sportsmen of the area were advised a year ago by officials of the department that if they would "go along" with the restrictions durinug 1956, to give the department a trial period on using the section for artificial lures only, the officials would lend their efforts to have the discriminatory restriction removed.

Promises Forgotten

Now, with only a few days before the commission meeting in Los Angeles, these officials have "forgotten" their promises and advise the sportsmen that unless they take immediate action, the rule established last year will be continued.

Letters asking that the river be reopened to all legal fishing during the 1957 season have been sent the commission by the Outdoor Sportsmen and others, with Supervisor H. G. Loehr promising to ask the Nevada County Board of Supervisors to again file a protest.

Charles V. Osburn, acting president of the Sportsmen, said he and other members of the club had not anticipated any opposition to the restriction being removed for 1957, but during the past few days reliable sources have indicated at least one member of the commission is determined that the present status will stand.

Must Be In By 4th

No recommendation to change the established rules and regulations can be considered by the commission after the January 4th meeting, so any recommendation must be in the State Building at Los Angeles prior to that time to have any effect on the 1957 regulations.

In the meantime, the Nevada Board of Supervisors have before them an ordinance making the Truckee river an open highway for fishing. Strong opposition to their ordinance is shaping up among members of the San Francisco Flycasters Club which owns property east of here on the banks of the river. This property is within the seven miles closed for all but artificial lure anglers last year and many of the members of the club wrote the commission asking for the restriction.

Sportsmen here and elsewhere are anxiously awaiting the results of their recommendations to the commission.

Jack Waggoner, the club's president, is currently in Los Angeles and Osburn said he would ask him to attend the meeting personally to present the Sportsmen's recommendation.

TWO NEW MEMBERS JOIN LEGION POST

Two new members joined Truckee American Legion Post, No. 479, at the December 18 meeting, Dale Stricklin of Donner Lake and Marion H. Dodd of Kings Beach being accepted into the organization.

Visitors at the session at which Lloyd Everett, commander, presided, included Al Henry of Tahoe City, Frank Martinelo, William Fordham and Ed Androuso, all of Truckee.

Andrew Garcia, appointed chairman of the basketball committee, said he will have a team ready to play for the post.

A letter was read from George Lohman, service officer of Sparks, who is in charge of distributing cigarettes to the Veterans Administration Hospital at Reno, each year, conveyed his thanks to the local organization for the contribution of $17.60 to the fund while larger posts in Nevada fell below the Truckee contribution.

The next meeting will be held January 15 in the Veterans Memorial Hall.

Back In Hospital—

N. F. Dolley is back in the Tahoe Forest Hospital following a recurrence of the pneumonia attack which kept him hospitalized two weeks ago. He was reported improving fast.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS)—Having voted back the "old-time saloon," the people of California can look for some changes in the liquor dispensing establishments throughout the state after the first of the year.

Russell S. Munro, director of the department of alcoholic beverage control, has issued a bulletin to all liquor license holders who have "on sale" permits, and informed them of the new procedures his department will follow in issuing and enforcing the constitutional amendment adopted by the people last November 6.

He explains that the liquor licensees has to make up his mind right now as to which of two types of licenses he will apply for this year, the "Bona Fide Public Eating Place" license or the"Public Premises" license.

For those establishments which are operating as bona fide restaurants at the present time, there will be little or no change in the procedure, except that they will not be required to serve food at all hours of the day. They must have the "usual assortment of food commonly ordered at various hours of the day by guests who come to the place for a meal."

This is because the law now deals with "meals" instead of with food, so licensees in the first category must serve breakfast and lunch for an hour and a half, if opened for liquor service during breakfast and lunch, and dinner for two hours.

The new "public premise" license, however, is a different story. There must be filed with the department an exact description of the boundaries of the premises; they must be maintained in a sanitary condition at all times, and specifications are rigid for lighting intensity.

At or near each entrance, there must be a clearly legible sign not less than seven by eleven inches stating "No Persons Under 21 Al'owed."

Further, no exterior entrance must be kept unlocked when any member of the public is in the place, and no meals of the variety and type served in a bona fide eating establishment may be served. However, beverages, sandwiches, salads desserts and similar short orders of food products may be sold if the sale of food and alcoholic beverage.

One premise, under the new law, may have both types of license, as in the instance where a hotel might want one room as a pubilc saloon, and another dining room, for instance, as a public eating place where liquor could be sold.

The all-important thing right now, Munro says, is for the liquor license holder to act immediately in making up his mind just what type of place he wants to operate. While licenses are interchangeable on order of the department, the licenses will not be interchanged during the year.

Munro said previously that the new law does not provide for the issuance of more liquor licenses than already are avilable from the department. Liquor licenses are issued on the basis of population, so the only changes will be the conversion of some of the public eating places to saloons, and the removal of the dummy sandwiches and plaster cheeses which have been used in the past to fool the enforcement officers.

The Merced river was originally named "Rio de Nuestra Senora de la Merced" meaning the "River of Our Lady of Mercy."

Pacific Freight Lines Are Purchased By Railroad

Purchase of Pacific Freight Lines has now been completed by the Pacific Motor Trucking Company, highway subsidiary of the Southern Pacific.

The acquisition, given final authorization by the Interstate Commerce Commission last month ends a temporary lease arrangement with the California and Arizona carrier in effect since September last year.

L. B. Young, PMT president, says the transaction covers highway operating rights, equipment and certain physical properties.

Consolidation of operations, Young explains, has closed some gaps in PMT rights and permits broader and faster origin-to-destination service to shoppers.

"This expansion of service," he said, "is a continuation of Southern Pacific's efforts to provide shippers a complete land transportation service."

The California Public Utilities Commission granted authority for PMT to acquire intrastate operation of PFL earlier.

Almost 5000 vehicles, including 1500 gained from PFL, are operated by PMT in California, Arizona, Oregon, Nevada, New Mexico and Texas.

Bill Proposes To Clarify School Bonded Debts

SACRAMENTO (CNS) — Bruce Hawk, Los Angeles County superintendent of schools office, proposed to the assembly sub-committee, school tax and bonded indebtedness, that the committee recommend to the 1957 legislature, a revision of the statutes affecting school bonded indebtedness liability.

Hawk calculates this revision would save Los Angeles county taxpayers an estimated $25 to $30 million per year.

"This law," Hawk stated, "would clarity school bond liability laws of the State of California, where school districts reorganize or bond changes take place.

"It provides for equity to school districts affected and the taxpayers affected by the bond change."

The educator explained that if an elementary school district is part of a high school district and it is contingent upon a newly formed district, the taxpayers pay to both districts.

It would provide, according to Hawk, for everyone to pay his share of the costs of financing the new district, and not allow some taxpayers to pay twice and others to have "a free ride."

He is confident that the proposal will come before the legislature. Chairman of the committee Sheridan Hegland told Hawk that he has the approval of the committee.

Hawk also said that he has encountered no opposition to the proposal in recent meetings he has attended.

Alien Address Forms Available At Post Office

SAN FRANCISCO—Immigration officials announced today that alien address report forms will be available at the immigration offices at San Francisco, Sacramento and Fresno, and local post offices beginning January 1 for the convenience of the more than 200,000 aliens expected to report their addresses to the government in compliance with the law.

Bruce G. Barber, district director of the immigration and naturalization service pointed out that it is important for each non-citizen to report his address to the government each January because of penalties for noncompliance.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and no later than January 8, 1957, at five o'clock P.M. at which place and time bids will be opened for the purchase of one school bus in accordance with the specifications on file at the office of the District Superintendent.

The above bus shall meet all requirements of the State of California in every respect as set forth by the State Department of Education and the California Highway Patrol for 1957 regulations.

The Board of Trustees reserves the right to reject any or all bids, in part or intoto, to waive any irregularities, and to be the sole judge of the suitability of equipment offered.

Bidders are required to submit complete specifications for any and all items for which bids are offered and furnish a certified check in the amount of ten (10%) percent of the bid to guarantee faithful performance of contract.

By order of the Governing Board.

Striking a joyous note we hope continues for you all through '57!

Reg Smart Eddie Sardi

NORTH TAHOE

By JUDGE HARRY CHARRISON

Lions-Rotary

Last week a wonderful meeting of the Lions of Lake Tahoe and the Brockway Rotary clubs was held at the Crystal Bay Club hosting the young sportsmen of the Tahoe-Truckee High School. Superintendent John C. Corbin attended as did Coach Stanley J. Drakulich, Principal C. W. Scuitto and Jack Lamke. One surprising invited guest was Jackie Jensen, baseball star, who gave some timely advice to the students. Mrs. Jensen was also at the club. She is a former movie star. Approximately 80 attended the meeting and a check for $100 was presented to Coach Drakulich by Judge Charrison in behalf of . E. (Earl) Gray, realtor of Kings Beach to help in setting up canteen for the students. Great appreciation was shown for the gift. Dave Ashton, president of the Lions Club, assisted by H. E. (Pappy) Brooks, president of the Brockway Club, presided.

Nice Party

The Christmas party for all employes of E. E. (Skeet) Thompson was a huge success. Following a cocktail party, a delightful dinner was served in the dining room of the Crystal Bay Club. Skeet was presented with a rod and reel. Dancing followed the dinner, and then at the weekend Skeet and Mrs. Thompson left for Texas where they will stay for two or three weeks.

Bereavement

It is with sadness in our hearts that we tell of the passing of a popular oldtimer of Kings Beach, Paul Koltes, the husband of Pearl, who for many years operated the Pines Pantry in Kings Beach. Paul and Pearl only left Kings Beach for Sacramento a few weeks ago. Paul had been sick over a year ago but was doing pretty well, until this week when he suddenly became ill and passed away. They have so many friends in the area and they express their heartfelt sympathy to Pearl and family. Interment was held at Sacramento last Friday.

North Tahoe Women's Club

The last meeting of the North Tahoe Women's Club held at the Crystal Bay Club, was attended by around 75 members and guests. A cocktail party preceded the dinner and following the dinner Mrs. Langguth played for a group of carol singers. Gifts were distributed by Santa Claus Shirley Wagner. Kay Felte presided.

.... "Beautful, Ain't It?"

"I'm dreaming of a White Christmas." Of all places that has become the theme song of people up here. For those who do not want snow this is heaven, but for those that want it its well, not so good. It has certainly been wonderful for traveling, just like the good old summer time. It was only 10 degrees this Saturday a.m. So wonderful. Dear old Santa has been going around on wheels. Well it gives Rudolph, the red nosed reindeer, a rest anyway.

Traveling

Just had a card from Jacksonville, Fla., from Joby and Helen Lewis. They tell of a wonderful time and say they are leaving for Cuba for a while, and wish to be remembered to all of their many friends, and wish a Happy New Year for all in the area.

VFW, 7077

The VFW and the Ladies' Auxiliary had a wonderful party at the Crystal Bay Club last Saturday night. A cocktail party and dinner was served to the VFW members as a Christmas gift to the men. There was more fun than a picnic, dancing n' everything. Pearl Moore presided.

Traveling

Bill Dugan did not leave until Sunday last. He tells me that he will first visit his youngest daughter, who by the way, gets the Sierra Sun through her father's generosity, at No. Hollwood. She is Mrs. Dave Franklin. Bill will spend Christmas there, and will later visit his oldest daughter at Riverside, and then will later go to Palm Springs, maybe for the winer.

New Acquaintances

Met Admiral J. S. Crenshaw of Crystal Bay, who besides attending the VFW doings Saturday night, celebrated his wedding anniversary. Also met Mrs. Albert H. Damon of Kings Beach, a swell couple. They too ordered the Sierra Sun and I'm sure they will enjoy it.

Wonderful Party

What a Christmas party it was and believe it or not around 250 attended and some 205 presents were given to the younger ones. Rev. Langguth did a swell job as Santa. It was without a doubt the grandest party to be held at Kings Beach area. A lot of credit must be given to those that donated and to those that worked on the project. We can't mention all of them because there was so many. One thing that was amazing was to see a number of boys playing baseball the 22nd of December, mind you. That shows what the weather was like. On Friday night the judges took in the whole neighborhood to decide who won in the out-of-doors decorating (private homes that is) and the result was very well thoughout. The Bob Howells won first; the Bud Mandevilles, second, and the Ray Bergmans, third. Gene Faulkner was the general chairman, who says many many thanks to all that assisted. Oh yes, the judges stopped at homes and sang carols to us. It was wonderful. We went to sleep with those sweet voices singing "Holy Night."

* * *

HAPPY NEW YEAR TO
* ALL OF OUR KIND FRIENDS *

Nevada County Shares In State School Funds

SACRAMENTO (CNS)—Nevada County has received $38,947 in special purpose apportionment of the state school fund for the fiscal year 1956-57, Roy E. Simpson, state superintendent of public instruction announced today.

Additional apportionments will be made in February and June of next year, mostly for the growth i naverage daily attendance in the amount of $37,000,0000. This means, Simpson said, the state school fund for the 1956-57 fiscal year will total $460,995,369.

Webber Dies

ZEPHYR COVE—Fred (Dutch) Webber, 63, died recently in California, it was learned here.

Mr. Webber had lived in the Lake Tahoe area for many years and was caretaker for Peter Cook at Zephyr Cove. Death followed a heart attack.

State Will Advertise For Auburn Projects

SACRAMENTO (CNS)—The division of highways announced today it will advertise for bids this week for the grading and surfacing of 3.6 miles of a four-lane divided freeway on US 40 to provide two 24-foot traveled ways and for construction of an Elm avenue overcrossing and a Walsh street undercrossing in Auburn. The project will extend from one mile east of Newcastle to Elm avenue. There is $2,450,000 available, the divisoin said.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

NOTICE TO CREDITORS

No. 5747

In the Matter of the Estate of STNLEY T. CALLISTER, Deceased.

NOTICE IS HEREBY GIVEN by the undersigned Theodore A. Kohler Jr., as administrator of the estate of Stanley T. Callister, deceased, to the Creditors of and all persons having claims against the said decedent to file them with the necessary vouchers within six months after the first publication of this notice in the office of the Clerk of the Superior Court of the State of California, in and for the County of Nevada, or to exhibit them with the necessary vouchers within six months after the first publication of this notice to the said administrator at the law office of Wm. J. Gassettari, 123 East Bank Street, Grass Valley, California, the same being the place of business in all matters connected with the estate of said Stanley T. Callister, deceased.

Dated: December 21, 1956.

Theodore A. Kohler Jr.,
Administrator of the estate of Stanley T. Callister, Deceased.

Wm. J. Cassettari, Attorney for Administrator.

George Selkirk, Telephone Manager, Truckee-Tahoe

DANGER — SNOW REMOVAL EQUIPMENT

At this time every year, your Telephone Company Manager wishes everyone

A VERY HAPPY AND PROSPEROUS NEW YEAR

May I say this year is no exception.

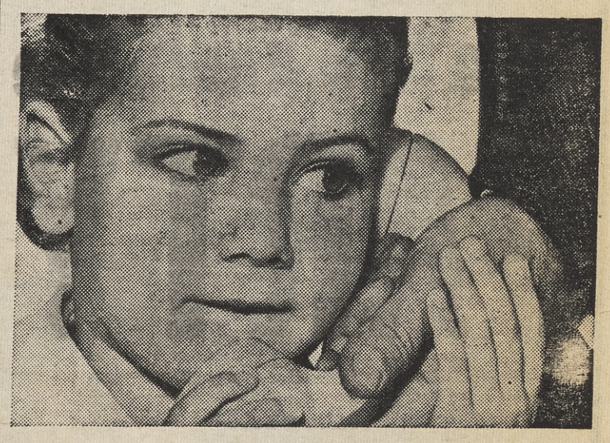
If you are wondering why this item has been given the above heading, it is due to a very enlightening talk given recently by Mr. Bruce Knight of the Placer County Highway Maintenance Department at a PTA meeting at Tahoe Lake School.

Mr. Knight was pleading with parents to stress to our children the danger of playing on or about snow removal equipment, especially rotary plows. As an example of what could happen to a child, he cited an incident he experienced when a small dog passed through the blades of a rotary plow.

If this article will aid in saving the lives and limbs of our children, it will guarantee a Happy New Year for all parents and the Pacific Telephone Company.

GEORGE SELKIRK, Manager.

* * * * *



Listen, my little sweetheart...

This was the year you discovered that fascinating thing Mommy and Daddy call the telephone. Pretty wonderful, isn't it? But just you wait! Why, by the time you're grown—say twenty years from now—lots of wonderful things will have happened to your phone. You'll probably have one in every room of your home. Maybe you'll even carry a tiny one in your pocket. Combined telephone and television may be yours if you wish. All these things will come from never-ending telephone research—will come, too, from the men and women of Pacific Telephone, who work to make your telephone more useful every day.

* * * * *

Let your Personal Number Book remember the number

Do you find yourself with more than the usual number of phone calls to make this time of year: friends to call and thank, stores to phone, party arrangements to make? Well, now is the time to collect all these telephone numbers in one spot where they'll be easy to find the year around. And a good place to write them down is in this handy Blue Book. We'll be happy to give you one. Just call, write or drop in and see us. The Blue Book of Telephone Numbers is yours for the asking.

The John Dixons of Crystal Bay are staying in Santa Barbara for several weeks.

Mr. and Mrs. W. E. Gray of Kings Beach are again spending some time at Oakland.

NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahoma

Christmas Tree

"This mad lake shows her teeth tonight" and still no snow.

The cold made the Rotary annual Christmas tree all the more special. Parents and children could cuddle in their cars or huddle beside the big fonfire but Santa and his helpers, Basil Kehoe, Dorothy Bury, and Martha Snyder, spent the whole evening up in the cold and biting wind. We all certainly thank the Rotary and their helpers for this wonder Christmas party. Thanks to Firechief Al Henry too for the bonfire which never seems to get care but is always leaping warm and bright.

Everyone Has Fun

It was some Christmases ago that Irene Quinn made me chuckle by her remark that it takes Santa Claus to get a lot of us out of our snowbanks in the wintertime. It is true that many people who have no children or whose children have long outgrown gifts from Santa still come out to join the party.

Up For Holidays

Mrs. L. D. Barr of Carnelian Bay is expecting L. D. up from Los Angeles for the holiday. She also tells me that their son, Bill Barr, and three friends, Roger Holbrook of Tahoe Tavern Heights, and Jay Mandeville and Bill Mallsberry both of Kings Beach, all went together to join the navy last week They will report to Reno on January 6 from where they will be sent to San Francisco. From San Francisco they will be flown to San Diego to start boot camp training Mrs. Barr says the marine recruiting officer whose office is in Reno is right next to the navy recruitment center, ground his teeth when he heard about four enlistments for the navy from the lake. Understandable.

Rabbit Parka

Mrs. Tommy Thomson looked utterly glamorous at the Christmas tree in her beautiful parka of snow-shoe rabbit from Alaska. Their little "Snowshoe Thomson" baby girl, Linda, who was born last February between storms, was with her parents and her four-year-old brother, David for her first Christmas.

Grows Beard

Since I personally have a weakness for beards I could not help wondering who the new man with Hazel Hoxie was. It was Ernest Hoxie with an Ernest Hemingway of truly magnificent proportions. Ernie grew it while Hazel was in Santa Barbara visiting her mother. She likes it too so we can all admire it for a long while. When asked what if Hazel had not liked it, Ernie merely retorted, "who wears the pants—and beard — in this family?"

In San Bruno

Solveig Beavers and her two children, Chris and Nancy, are spending the Christmas week with Solveig's parents, Mr. and Mrs. Sigvard Bonning in San Bruno.

Children's Program

The children's program at school Thursday night was a fine success. The teachers and parents who helped certainly deserve a cheer of thanks. Sandra Snyder took the part of a little girl dreaming over her Christmas Memory book and each grade had a part of her dream. The nursery school was delightful, dressed out as jingle bells and how they could sing. The kindergarteners were Raggedy Anns and Andys, and the first grade sang and acted out the Three Little Kittens. Bo-peep and a classfull of second grade sheep were wonderful. The mothers who worked out those sheep costumes must have had fun as well as much work. Scenes of Miss Muffet, a Simple Simon, and a Marshmallow World by the third grade rounded up Sandra's memories. A well done story. The sixth grade gave a reverent presentation of the Three Kings and the shepherds. Mrs. Lillian Farr wanted special thanks to go to Mr. and Mrs. Clifford Plew, to Mrs. Davie McBride, and to Mr. Bob Hewitt for their help in putting on the school program.

Women's Club

Mrs. Doris Clark, corresponding secretary of the Women's Club of Tahoe, wants all members to be reminded that the next meeting of the club will not be on the first Thursday of January because of the holiday season. The meeting will be a luncheon meeting at the home of Mrs. Alma Guth in Tahoe Park on Thursday, January 10 at 12:30. An invitation has been extended to the Wyethia Club of Truckee to join with them at a luncheon at the Tahoe Inn on Thursday, February 7.

Rotary Meets

Rotary met Tuesday night at the Tahoe Inn. Twenty-five members were present with two visitors, M. H. Dodd of Kings Beach and Don Huff of Woodland and Homewood. An old-new member, Ken Steddom, and a new member, George Selkirk, new manager of the Pacific Tel. and Tel., were welcomed. Warren Porter, program chairman, presented two films on fishing. One showed steelhead fishing in Canada and the other fishing in South Africa. President Steve Korich announced that there will be no meetings of Rotary for two weeks since Both Tuesdays fall on the holidays. The next meeting will be January 8.

Opens Resort

Don Huff's Homewood Resort is opening Christmas day for the first winter season in some years. Gar Berry is managing the resort for the winter season and would like local people to know they are as welcome as outsiders. Miss Carrie Hadsall is in charge of rservations.

Facelifting

Sartor's Tahoma Restaurant and Market which changed hands this late summer is receiving a facelifting and a new bustle. The new owners, Truman Sunkel and Mary Johnson, are adding many square feet, mainly at the back and at one side. The interior wil be completely rearranged. The postoffice will be in the new, roomier and warmer side addition. Mr. and Mrs. Uell Pritchett will manage the store and market as formerly. This mild winter and fall has let all this work go on unhindered by bad weather.

Activities At Tahoma

Tahoma is showing other signs of activity this winter. Mr. and Mrs. Edmund A. Thomson have an outdoor tree at their Sugar Pine Pt. Lodge which is breathtakingly lovely. It comes as such a happy surprise, for so many places are closed and dark out this way.

Entertain

Frith and Lou Turner entertained the Hoxies and McLanes after the Christmas tree party Friday night. Turners are taking justifiable pride in a new room just added to their practically new home in Tahoe Park. With all of Frith's daily work I do not see how he could have finished so much so quickly. The large room is most attractive and made visiting so pleasant. Joe Hoxie, Jeff and Tony McLane were able to play with their toys in the new room, Kim Turner and Erica McLane were drawing in Kim's room, and the adults had the living room with its pleasant fireplace to themselves.

Delay Celebration

Mr. and Mrs. W. C. Vernon will put off Christmas until the 28th when their daughter, Airman First Class Florence B. Vernon, can be with them from her post at Ebbetts Field. Hal and Lillian Farr will join the family at that time too. Mrs. Ethel Joslin Vernon has not been feeling at all well but is some better, Judge Vernon says.

Home Of Furlough

Bob Sach, son of Dennis Sach, is here for Christmas furlough from the air force in Washington, D. C. Bob graduated from Tahoe-Truckee last year.

To San Mateo

Malcolm and Pat Fox of Squaw Valley have gone to San Mateo to spend the holidays with Malclom's parents. Pat in enthusiastic over her "Pink Lady," a brand new 98 convertible Oldsmobile—and pink! A surprise Christmas gift from Malcolm.

Miss Snow

A beautiful hand done card in blue and white from the Charles Warner family in Cupertino tells that this is the second Christmas away from Tahoe and they are missing the snow. This year, Diana says, she and Charles and Chick will camp for a week in Death Valley, spending Christmas there.

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) Mrs. Armon Close, Mrs. Paul Capel, Mrs. Bruno Bellotti and Mrs. Jack Melugin assisted our room mother, Mrs. Swauger, with our nice Christmas party.

Mary Lou Randall brought Christmas wreathe cookies to hang on our tree and to share with the other children.

Curtis Melugin's original trimmings for our tree were painted pine cones set in individual egg carton cups. They were very attracitve.

First Grade: (Teacher, Helen Camp.) Those finishing their pre-primers last week were: Chris Kumle, Stephen Simons, Gary Albin, Diane Victor Rice, Raul Hernandez, Phillip Medina, Michelle Harris, Susan Schuler and Michael Davis.

First Grade: (Teacher, Ruth Croxen.) Karin Meixner, Eddie Anderson, Diane Patterson and Linda Russell brought Christmas books to share with us.

All of our class were present at the Christmas party although Bruce and Marion Ayala were absent earlier in the week.

We wish to thank Mrs. King and Mrs. McGlade for making our party a success.

Second Grade: (Teacher, Jean Manetta, substituting for Mrs. Trask.) Our thanks to Mrs. K. Hedlund, who so efficiently planned and conducted our Christmas party, and to the following mothers who assisted her: Mrs. L. Braasch, Mrs. W. Inglehart, Jr., and Mrs. L. Angalls.

Third Grade: (Teacher, Arlene Roth.) Of the spelling group taking 16 words, ther were 12 students with perfect papers and five who missed only one word. Those who have improved very much are: Lenny and Cheri Tudor, Larry Digesti, Dawn Maynard, Doug Nelson and Clydene Strickler.

Mrs. Nelson is in charge of our Christmas party in the absence of our room mother, Mrs. Strickler.

We shall miss Julie Knoff, who has moved to Auburn and Alex Cushing who will be attending Tahoe City School in January.

Fourth Grade: (Teacher, John Stever.) The Christmas party was enjoyed by all. Judy McGwinn and Linda Banyard wrote a poem, "Christmas Day."

Routine assignments: lunch cards, Linda Banyard, Wade Mosley, Marcia Leamon and Judy McGwinn.

Fifth Grade: (Teacher, Olia Tiffee.) Those making a perfect score in spelling were Judy Mitchell, Dianne Cardinal, Sandra Balsauage, Leilani Braasch, Susanne Sciutto, Richard Saroni, Kenneth Stumbaugh, Karey Kielhofer and Ronald Buck.

We wish to express our appreciation for the fine work Mrs. Reid did while Mrs. Tiffee was absent.

Sixth Grade: (Teacher, Ruth Roberson.) The following children received 100 percent in their long division test last Friday: Juaquin Fuentes, Dennis Whiteneck, Janice Roth, Kenneth Lloyd, Janice Eaton, Helen Kohl and Sheryl Swauger.

KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen.) On Friday, December 21, we had a Christmas party. Our room mothers, Taffy Bisio and Mae Critchley assisted.

On Tuesday, Candy Ehlers had a birthday party at school. Candy is now six years old. The party was given by Candy's mother, Mrs. Ray Ehlers. The class enjoyed cake and punch served by Mrs. Ehlers.

Mrs. Wm. Mally assisted.

Second and Third Grades: (Teacher, Katherine Wing.) In our Christmas play, the following children participated: Bruce Draney, Sharen Birch, Cathy Rockholm, Rondi Thorwaldsen, Cheryl Smith, Carl Christiansen, Kathy Chastain, Susan Clackett, Martha De Grgeorio, Gale Graton, Jean Potkay, Wendy Howell, Lucinda Hiatt, Debbie Martin, Beverly Bergman, Paula Martin, Carol Lee Corbin, Billy Hobbs, David Hughes, Andy Thompkins, Bruce Templeton and Vern Wing.

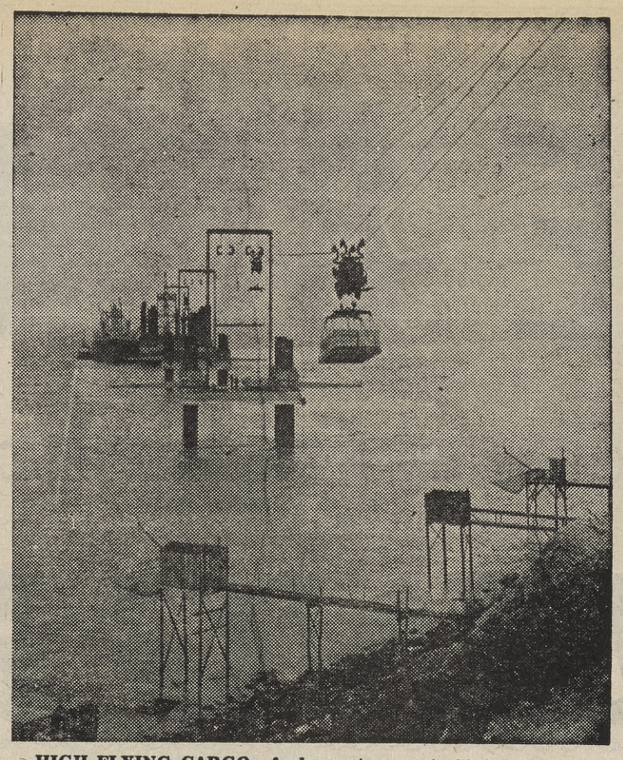
The following children are away for their Christmas vacation: Bruce Templeton, Vern Wing, David Hughes, Cindy Hiatt, Andy Thompkins, Cathy Rockholm, Carl Christiansen, Debbie and Paula Martin.

Jean Potkay transferred to Connecticut. Jean came from that state originally.

Our room mothers, Mrs. Margaret Christiansen and Mrs. Barbara Bergman served delicious refreshments at our class Christmas party.

Fifth and Sixth Grades: (Teacher, Mr. Bisio.) Christmas parties were the order of the day last week. Mrs. B. Davis and Mrs. Mike Cianani acted as room mothers for the yearly class party.

Mr. Robert Molsberry contributed some 148 loaves of miniature Wonder Bread.



HIGH-FLYING CARGO—A skycar transports 20 tons of Army supplies at a 35-mile-an-hour clip over an aerial skyway to a safe discharge atop a rocky cliff-face in France. Cargo ships are independent of port facilities when they tie up to a movable DeLong pier. Retractable piles allow submerging for concealment.

Parties Held

John McGlade, superintendent of Tahoe Forest Hospital, and the other personnel there joined in a pre-Christmas party last Friday afternoon.

Parties and remembrances given for local people whose birthdates occurred within the last week of the year include young Doug Nelson, son of Dr. and Mrs. L. D. Nelson had a double holiday with Christmas occurring the day before his birthdate. Dave Rose and G. E. Lewis also celebrated their birthdates the latter part of the month.

Gilbert Kumle observed his birthdate on Decehmber 21.

Young Larry Digesti was feted by his parents, Mr. and Mrs. Harry Digesti on December 22, his birthdate.

Terry, daughter of Mr. and Mrs. Jack Ellis, is the center of attention today with a party and presents, given in her honor.

SIEGLER

Patented Automatic GAS HOME HEATERS
With the Patented Heat Tubes

SIEGLER GAS HOME HEATERS COST SO LITTLE
A SIEGLER PAYS FOR ITSELF WITH THE FUEL IT SAVES.

SIEGLER Heaters produce more usable heat from every bit of fuel because SIEGLER captures the 4 times hotter "TOP OF THE FLAME" heat, with its patented heat tubes and forces it down on the floor with a BUILT-IN BLOWER system. Then SIEGLER travels the heat to every room.

Only SIEGLER gives you "TRAVELING HEAT" - Enjoy warm floors! Heat travels to every room. Quiet - Beautiful Porcelain Finish - Patented Heat Tubes - Each heater is fully GUARANTEED - Many styles from which to choose. Come in today and ask for a demonstration.

Our Business Is To Serve You With Year Around LP Gas - - -

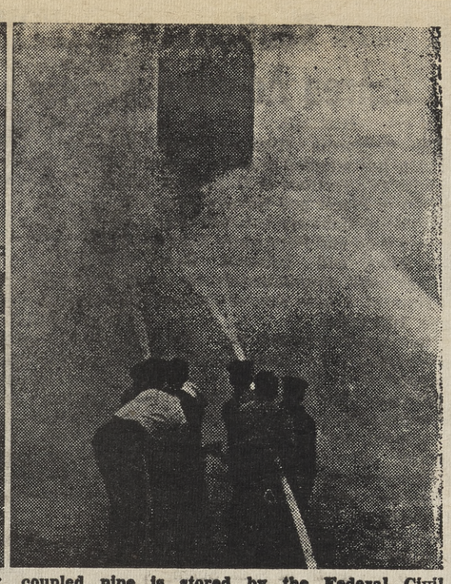
The Most Convenient And Automatic Countryside Fuel

And Remember SIEGLER Heaters are built to produce more USABLE HEAT from LP than any other heater.

LET US PROVE IT. COME IN TODAY!

EXTRA PAY REFUSED

The request of H. E. Nolan, Nevada County's veteran service officer, for $200 extra help money was denied by the board of supervisors at their last meeting, but $45 was provided him to pay for current extra help. The officer was advised against employing additional help until approval for funds had been given.



DEMONSTRATION OF PIPE in New York City which can be laid quickly over rough terrain to carry water for fire fighting, city water supply or to pump out flooded areas. This flexible-coupled pipe is stored by the Federal Civil Defense Administration in warehouses throughout the nation for use in emergencies. New couplings allow pipe to be laid without levelling it.

The sailing ship Balclutha, at Pier 43 in San Francisco, rounded Cape Horn 17 times before 1899.

The Richmond-San Rafael gridge is the second longest high-level over water span in the world.

Teachers' Association Presents Code During Meeting In November

The Tahoe-Truckee Educational Association, the local teachers' professional organization, is composed of all the certificated personnel of the Tahoe-Truckee Unified School District. It is both an affiliate chapter of the California Teachers' Association and the National Education Association of the United States.

This group, which is dedicated to the teaching of our area's youth and to the principle that "an educated people moves freedom forward," annually ascribe to and adopt a code of professional ethics.

The professional relation committee, composed of Lynn T. Kishbaugh, chairman, Lillian Farr, Charlotte Patnoude and Ruth Roberson, presented the C.T.A. and N.E.A. codes of professional ethics as its standards for the 1956-57 school year to the association at its November 20 meeting. President Frank Ratliffe and the membership wholeheartedly accepted these.

(1) The primary obligation of the teaching profession is to guide children, youth and adults in the pursuit of knowledge and skills, to prepare them in the ways of democracy, and to help them to become happy, useful, self-supporting citizens. The ultimate strength of the nation lies in the social responsibility, economic competence, and moral strength of the individual American.

(2) The teaching profession occupies a position of public trust involving not only the individual teachers' personal conduct, but also the interaction of the school and the community. Education is most effective when these many relationships operate in a friendly, cooperative, and constructive manner.

(3) The members of the teaching profession share with parents the task of shaping each student's purposes and act toward socially acceptable ends. The effectiveness of many methods of teaching is dependent upon cooperative relationships with the home.

(4) The teaching profession is distinguished from many other occupations by the uniqueness and quality of the professional relationships among all teachers. Community support and respect are influenced by the standards of teachers and their attitudes toward teaching and other teachers.

(5) The members of the teaching profession have inescapable obligations with respect to employment. These obligations are nearly always shared employer-employee responsibilties based upon mutual respect and good faith.

Truckee Man Escapes In Reno Auto Accident

RENO—A Truckee, Calif., motorist escaped injury when his auto skidded on ice on West Second street near the underpass and overturned.

Traffic officers reported Jesus L. Castro was driving west on Second street when he hit the ice and side-skidded for 131 feet before striking the curb on the opposite side of the street and overturned.

Castro was cited for reckless driving after officers decided he was traveling at an excessive speed for icy road conditions.

Governor Urges Jail For Drunk Drivers In State

SACRAMENTO (CNS)—Mandatory jail sentences for drunk driving were suggested by Gov. Goodwin J. Knight at a meeting of the governor's council here.

The governor, after hearing that the deaths from traffic accidents may reach 3800 this year, a rate of little more than 12 per day, in California alone, said he would like to try the jail sentences for awhile.

Paul Mason, director of the state department of motor vehicles, recently proposed an amendment to the codes whereby convictions for drunk driving would carry a mandatory jail sentence.

The governor pointed out that people avoid robbing the mails because of the tough policy of the federal government. He said such a policy might work in the case of the drunk driver.

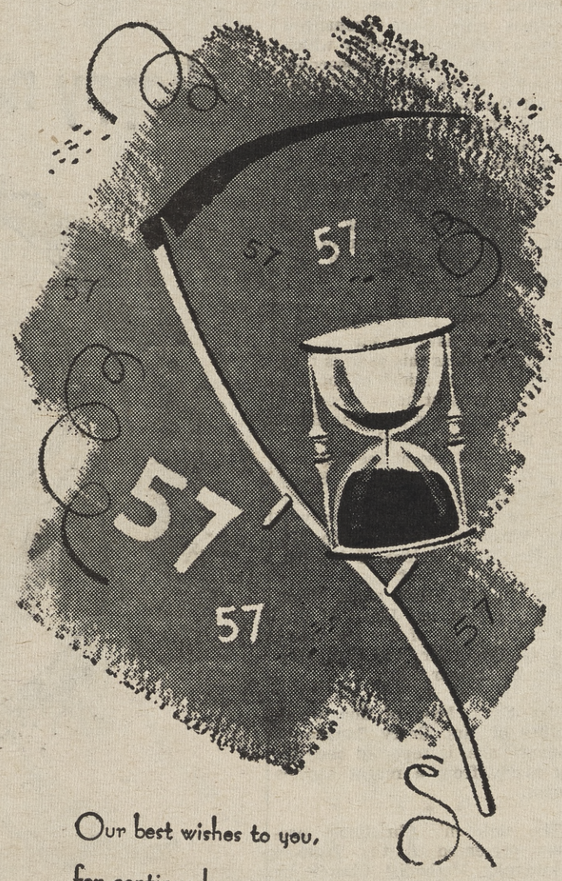
Southern Pacific Again Is Winner Of National Award For Safety Aims

Fo rthe third consecutive year, Southern Pacific has won the National Safety Council's Public Safety award.

G. C. Stewart, executive president of the Safety Council, attributed the award to SP's efforts in public safety activities in communities throughout the railroad's entire system.

SP officers and employes have taken part in safety activities of many organizations and schools as well as other groups dedicated to prevention of accidents. In addition, SP promotes safety among its employes and their families through the successful "Family Night" programs conducted on all divisions o fthe railroad at regular intervals. Patricipating in these are various civic bodies, local chapters of the NSC and other similar organizations.

A safety film library, available to all organizations, is maintained by SP's Safety Department, headed by M. A. Nugent of San Francisco. Extensive use of these facilities by outside organizations contributed considerably to winning the award, the Safety Council indicated.



Our best wishes to you,
for continued peace
and prosperity in the New Year!

TRUCKEE TIDBITS

By SWANEE
(Phone Truckee 188)

Mrs. Gladys Quam enjoyed Monday and Tuesday in Reno where she enjoyed Christmas dinner, and the holidays, at the home of her son-in-law and daughter, Mr. and Mrs. Michael O'Rourke. She returned home Tuesday night.

* * *

Mr. and Mrs. Wendell E. Dunigan of Truckee left on Friday to spend the Christmas holidays with their daughter and family, Mr. and Mrs. Kenneth Crow and son, Don, in Tialto, Calif. While below they will also visit at the home of her parents, Mr. and Mrs. T. F. Hooser of Pasadena, returning to Truckee around January 3.

* * *

Rev. and Mrs. Wesley Osman of the Truckee Community Methodist Church and their children, Julia and Eric, motored down to Folsom for the Christmas holidays where they were the houseguests of her brother-in-law and sister, Mr. and Mrs. Ted DeLapp. Other guests who were to be present at the Yuletide feast were Mrs. Osman's parents, Mr. and Mrs. Lloyd Austin of Placerville, and a number of Mr. DeLapp's relatives. The Osmans planned to remain for several days.

* * *

Mr. and Mrs. Elden Tonini and family hosted a family dinner party at their home here on Christmas day. Guests included were Mrs. Annie Tonini and Mrs. Mary Zunino.

* * *

Mr. annd Mrs. Byron Miller of the Donner Hotel are enjoying a well-earned vacation from business in the Bay area over the holidays.

* * *

It looks like it was a Merry Christmas after all at the Hal Welch home in spite of the serious injuries suffered by Mrs. Welch recently in an auto accident. For on Monday night the Welchs held "open house" to their numerous local friends with refreshments and tasty tidbits galore. Mrs. Welch was well enough to leave the hospital last Friday and is now comfortably installed in a borrowed hospital bed at her home, where she can again enjoy the company of her husband and little son, Steven, almost four months old. Their many friends are wishing them nothing but good luck in the year ahead.

* * *

Mr. and Mrs. Charles Heller were among those who attended the Lions' Christmas party and dinner at Smart's restaurant on Saturday night last. Their guests for the evening were Mr. andn Mrs. Ralph Edwards.

* * *

The last dance of the current season was held by the Pythian Sunshine Girls on Wednesday evening last in the Odd Fellow's Hall. Following a short business session Christmas gifts were exchanged around a lighted tree, after which the sleigh bell dance proceeded. The tinkle of the tiny bells blended with the dance rhythms, some fastened around the girls' wrists, some on their ankles and some around the waists. A prize waltz was held and Diane McGihon was crowned queen, and Nona Rae Coffey, king of the evening. Mrs. Pearl Heller, royal advisor of the group, furnished the punch and cookies.

* * *

Mr. and Mrs. Louis Goicoa and children will have a bit of disjointed Christmas this year as they are right in the midst of moving from their present home to one of the SP's outfit cars near the Richfield plant. Collette plans to decorate a small tree at the last moment so their daughter, Kathy won't think Santa has lost complete track of her. The Goicoas will have Christmas dinner with Mr. and Mrs. Mike Goicoa of Norden.

* * *

Dot Morhain will come from Quincy to join son James at dinner at the home of her son-in-law and daughter, Mr. and Mrs. Jack Miller at Donner Lake.

* * *

Mrs. Edgar Myer of Homewood, mother of Mrs. Gerry Bonano of Donner Lake, is reported recovering nicely from a recent serious illness.

* * *

The children's Christmas program presented at the Truckee Community Methodist Church by Rev. Wesley Osman and his corps of helpers on Sunday evening was well received and well attended. Approximately forty-five persons took part in the singing and the novel tableau titled "The Incomparable Gift." Miss Nelda Stone was pianist. Treats in the form of delicious homemade cookies were served the children at the conclusion of the program. Rev. Osman planned to lead a group of local singers in caroling the old Christmas favorites at the Tahoe Forest Hospital on Monday evening, if the songsters put in an apearance as promised.

LOST — Woman's brown purse, containing wallet, car keys, other identification. Please call Truckee 221. D27c

Highway Routing In Area Adopted

The California Highway Commission has adopted freeway routings for two sections of U. S. Highway 40 in Placer and Nevada counties. The sections are between Blue Canyon road and Hampshire Rocks, 13.7 miles, and between Soda Springs and approximately three quarters of a mile east of Donner Lake, 10.3 miles.

The routes adopted are those recommended by State Highway Engineer G. T. McCoy.

Between Blue Canyon road and Hampshire Rocks the adopted route in general follows the existing highway, but with minor deviations to improve alignment.

Between Soda Springs and east of Donner Lake, the adopted route will relocate the highway north of the existing highway. It runs to the north of Soda Springs and generally parallels Cascade Creek to the West Lakes area. It passes over Donner Ridge, and runs slightly to the north of the existing highway around Donner Lake, where it connects with a previously adopted freeway route at the east end of Donner Lake.

Public meetings called by the Division of Highways were held in Truckee and Nyack on October 30 at which the adopted routes and posible alternate routes were discussed. Subsequently the boards of supervisors of Placer and Nevada counties adopted resolution stating that a public hearing on the matter was not considered necessary.

The commission announced in November that it would consider the adoption of freeway routings at its December meeting or at a subsequent meeting.

Plans for the division of highways call for construction of a four-lane freeway on both sections for which routes were adopted. For the section between Blue Canyon road and Hampshire Rocks the estimated cost is approximately $15,000,0000, including rights of way. Start of construction will depend on the availability of future state highway funds.

The 1957-58 state highway budget allocates $3,1000,000 for construction of a four-lane freeway on the 5.7 miles between Hampshire Rocks and Soda Springs.

In Roseville—

Mr. and Mrs. J. J. McGlade and family spent Christmas with relatives at Roseville.

In Nevada City—

Mr. and Mrs. Lloyd Everett observed Christmas with relatives and friends at Nevada City.

HOSPITAL GETS NEW ICE MACHINE

The Tahoe Forest Hospital recently was presented with a new electric ice making machine, the gift of the Truckee Lions Club. The above pictures (left to right) Roy Waters, club president, Administrator J. J. McGlade of the hospital and Tony Pace, Lions Club director, examining the new $750 machine which is now in operation.

Tamblyn Esscapes Hurt As Car Is Overturned

In attempting to miss an Irish setter which darted onto Highway 20, William Tamblyn, Nevada City and Kings Beach businessman, swerved his car to the left, lost control and overturned. Neither Tamblyn nor the dog was hurt but the car was badly damaged.

Rice is the chief crop and staple food of Indonesia.

CARD OF THANKS

We are very grateful for the ready response of the Truckee Volunteer Fire Department and neighbors who assisted to put out the fire at our house last week.
Mr. and Mrs. Paul Rausch

AVILAS WILL OPEN RAINBOW SKI SHOP

RAINBOW TAVERN — Maggie and Milt Avila, widely known throughout the winter sports region of northern California, announced this week that they are opening their new ski shop, to be known as Rainbow Skihaus, a branch of George Germani and Grats Powers' Skihaus at San Francisco.

The grand opening of the new shop will be held tomorrow, Friday evening and all their friends throughout the area are invited to drop in and scan the big line of skis and accessories.

Rentals, repair and service will be fetured.

Tarzan

by EDGAR RICE BURROUGHS

THE QUEEN'S DINNER PARTY ENDED WHEN EVERYONE EXPRESSED A DESIRE TO SLEEP--NOT KNOWING THAT THEY HAD BEEN DRUGGED BY THE WITCH DOCTOR!

WALTER KEYS PRETENDED TO RETIRE WITH THE OTHERS. "I GUESS WE ATE TOO MUCH," HE YAWNED.

SOON ALL WAS QUIET AND WALTER TENSELY WAITED FOR HIS COMPANIONS TO SINK INTO DRUGGED SLEEP.

NOW HE STEALTHILY WITHDREW TARZAN'S KNIFE FROM ITS SHEATH--

A SINISTER NOISE STARTLED KATHY AND SHE SAT UP SCREAMING--FOR, TO HER, AN UNKNOWN CREATURE LUNGED FOR THE KILL!

DICK VANSUREN JOHN CLARKO

THEN, SNEAKING OUTSIDE, HE MOVED TOWARD THE ROYAL HUT ON AN INCREDIBLE MISSION OF MURDER!

LOOKIT THE SUCKERS LINE UP TO SEE IRVING! ANOTHER COUPLA WEEKS OF THIS AND WE CAN (CHUCKLE) RETIRE!

SEE IRVING THE DINOSAUR! THE ONLY ONE OF ITS KIND IN THE WORLD! GIGANTIC! UNBELIEVABLE! THE EIGHTH WONDER OF THE WORLD!!

ONE THING BOTHERS ME, MR. LEGREE. IRVING'S BEEN WITH US FOR TWO WEEKS NOW, AND HE AIN'T HAD A BIT OF FOOD IN HIS MOUTH!

WHEN HE DOES WORK UP AN APPETITE, YOU GOT ANY NOTION WHAT DINOSAURS EAT?

SEARCH ME. I GUESS THE ONLY WAY TO FIND OUT IS TO CALL ONE OF THEM PROFESSORS WHO ARE EXPERTS ON THINGS LIKE THAT!

THERE WERE SEVERAL DISTINCT VARIETIES OF DINOSAURS, MR. LEGREE. YOU TAKE, FOR EXAMPLE, THE BRONTO-SAURUS. HE SURVIVED ON PLANTS!

THAT'S A RELIEF! ALL WE GOTTA DO THEN IS ORDER A COUPLA CAR-LOADS OF GRASS AND—

ONE MOMENT, SIR—

--ON THE OTHER HAND, IF YOUR SPECIMEN IS A TYRANNOSAURUS, THEN (SHUDDER) THERE IS ONLY ONE DELICACY THAT WILL SATISFY HIS APPETITE!

YEAH—AND WHAT (CHOKE) IS THAT?
